[SHE \(Shateka Husser Enterprise\) Inspires](#) provides a conglomeration of services nationwide to ensure

all soar higher spiritually, financially, and professionally. These services are rendered via symposiums, workshops, masterclasses, group masterminds, and organizational demand.

Combat veteran, Retirement Consultant, and Founder of SHE Inspires, [Shateka Husser](#), is excited about the symposium. When asked about the motivation for hosting the event, Husser explained: "North Charleston High School's building slogan stuck with me through my adult years, "Education is a possession of which man cannot be robbed" so what better way to empower my childhood community of business owners and career professionals by sharing what school did not teach us about winning in wealth and becoming financially secure."

Although the Wealth Building Symposium is in honor of Women's History Month, all genders are

welcome to attend the event. Seating for the event is limited; therefore, those who are interested are encouraged to book early to avoid disappointment. Sponsorship opportunities and vendor spots are also available for businesses that want to expand their reach and brand awareness for this and subsequent 2023 events.
